

Noti.Tulli light

Tulli light is an armchair model representing the newest addition to the Tulli family designed by Tomek Rygalik (Studio Rygalik).

Structurally, it consists of two main elements: a comfortable bucket seat made of dedicated cast polyurethane foam and four bases.

Tulli light — a novel visually lightweight item of office furniture — exudes a friendly and homely vibe. It is a perfect choice for furnishing offices and conference rooms, and the ever-more popular home offices.
