Mishell soft is a special version of the Mishell collection designed to provide even more user comfort thanks to an additional, extremely soft quilted layer on the seats.

The new version of upholstery has given the collection a more cozy character. It highlights the texture and type of fabric, emphasising the rhythm of the stitching pattern and bringing an eye-catching quality to the design.

With a wide selection of fabrics and bases, the elements of the collection can be freely customised depending on the intended purpose of the furniture. Mishell soft is a perfect choice both for home use and public spaces.
